## DETAILED ACTION

### *Priority*

The objection to the claim for priority on pages 2 and 3 of Paper No. 0305 has been withdrawn in view of applicant's remarks on page 12 of the response filed on May 6, 2005.

### *The Information Disclosure Statement*

The prior art cited in the information disclosure statement filed on May 10, 2005 has been considered. Through inadvertence, the incorrect docket number, serial number, applicant, filing date and group art unit were placed on the submitted Form PTO-1449. The correct information has been substituted therefor. See the copy of the initialed, dated and signed Form PTO-1449 accompanying this Office action.

### *Examiner's Amendment*

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In line 7 of claim 1, "filed" has been changed to --field-- to correct an obvious typographical error. Note the corresponding change in line 8 of amended claim 6 filed on May 6, 2005.

### *Examiner's Statement of Reasons for Allowance*

As to independent claims 1 and 6, the prior art of record, taken alone or in combination, fails to disclose or render obvious a method of investigating the presence of Anthrax (Bacillus anthracis)/pathogenic microorganisms for the reasons set forth on pages 4 and 5 of Paper No. 0305.

### *Fax/Telephone Numbers*

Any inquiry concerning this communication or earlier communications from the examiner should be directed to the examiner whose telephone number is (571) 272-2414. If attempts to reach the examiner
